COMMUNITY GARDEN

“Over the years, people have come up to me with the idea of having a community garden. When one person expresses a desire to do something, generally there are others with the same desire. If you have thought about or may be thinking about a community garden, please sign up at the hallway bulletin board.” Pastor Roger Velasquez

Community garden-land gardened by a group of people, utilizing a shared plot providing fresh products as well as contributing to a sense of community & connection.

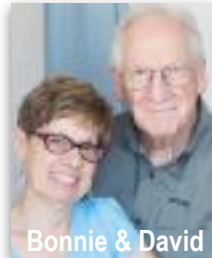

SHEKINAH CHURCH SAFETY TEAM

To improve all aspects of safety at the church, the Security Committee is adding team members. Sign-up sheets are available in the hallway. You will be contacted by a committee member to see which area you are interested. Those currently serving in any area of ministry,
